Information for Physicians, Midwives, Parents and Others Required to Report Births

Section 2036x3, Compiled Laws of Utah, 1907. That all births that occur in the State shall be immediately registered in the district in which they occur, as hereinafter provided.

REPORTS.

Sec. 2036x4, Compiled Laws of Utah, 1907. That it shall be the duty of the Attending Physician or Midwife to file a certificate of birth, giving all the particulars required by this Act, with the local registrar of the district in which the birth occurred, within ten days after the date of birth. And if there be no attending physician or midwife, then it shall be the duty of the Father of the child, Householder or Owner of the premises, Manager or Superintendent of Institution in which the birth occurred, to file said certificate of birth with the local registrar within three days after the birth.

EVERY ITEM OF INFORMATION IS IMPORTANT AND MUST BE SUPPLIED.

The Full Name of the child is necessary for identification. If the child is not named when the report is made, get a blank from local registrar and make return of name as soon as child is named.

DO NOT OMIT ANY FACTS RELATING TO THE PARENTS OF THE CHILD.

Section 2036x8, Compiled Laws of Utah, 1907, provides that: * * * "All Physicians, Midwives, Informants * * * connected with any case, and all other persons having knowledge of the facts, are hereby required to furnish such information as they may possess regarding any birth or death, upon demand of the State Registrar, in person, or by mail, or through the local registrar." * * * The State Registrar will not accept as complete a certificate with this data omitted without satisfactory explanation for failure to report same.

When no physician or midwife attended a birth, the persons required to make the report in the order specified in Sec. 13 shall strike out the words "I hereby certify that I attended the birth of above child," and write in lieu thereof the words "No Physician or Midwife," filling out the remainder of the certificate as the law requires and sign as parent, householder, etc., as the case may be, with his address.

INSTRUCTIONS TO LOCAL REGISTRARS.

Read carefully the law relating to the registration of births and do not allow your supply of blanks to become exhausted before requesting more.

Carefully examine each certificate as soon as it is filed and if the facts required by law are not all supplied, return same for complete report. Enter the date of filing in your office immediately; give the certificate its proper registered number and make a copy of the original certificate for your local record. If the name of the child is not reported give the person who made the return a blank for supplemental report of name and direct that it be sent you as soon as the child is named.

Send all original certificates to the State Board of Health on or before the fifth of the month. If the supplemental report of name of child has not yet been filed, send the certificate and forward the later report as soon as received after entering name or other fact on your copy. If the child died before being named, the report should be made with the statement "died unnamed."

PENALTY.

Sec. 2036x12, Compiled Laws of Utah, 1907. And any physician or midwife in attendance upon a case of confinement, or any other person charged with responsibility for reporting births, in the order named in Sec. 13 of this Act, who shall neglect or refuse to file a proper certificate of birth with a local registrar within the time required by this Act, shall be deemed guilty of a misdemeanor. * * * And any registrar, or deputy registrar, who shall neglect or fail to enforce the provisions of this Act in his district, or shall neglect or refuse to perform any of the duties imposed upon him by this Act or by the instructions and direction of the State Registrar, shall be deemed guilty of a misdemeanor. * * * Any person convicted of a misdemeanor under the provisions of this Act, shall be fined in any sum not less than ten dollars nor more than two hundred dollars.

Blank birth certificates may be obtained from Local Board of Health, Local Registrars or the State Board of Health.

Note:

The birth, recorded in this certificate, occurred years ago when it was the custom on Indian Reservations to record births and deaths in the Agency Records, without a certificate to the State Registrar, Since then this party, after arriving at maturity, has requested a certificate of birth which I have transmitted.

In order to have a safe record for future reference, I have also prepared a copy which I am forwarding to the State Registrar of Vital Statistics, thru the local Registrar of Bingham County.
